Notice:

We make every effort to ensure that the information provided here is correct, complete, current, understandable and available at all times. Nevertheless, it is necessary to make the following disclaimer.

1. Content of external Internet sites:

This website's links merely provide access to external Internet sites (external content); these links were created by the Internet editorial team of the EU Exchange of experts programme to the best of its ability and with the greatest possible care, paying particular attention to the trustworthiness of the external Internet sites and the accuracy and lawfulness of their content.

Because website content is dynamic and can change at any time, however, it is not possible to constantly monitor the content of all external sites to which www.exchangeofexperts.eu maintains links. The THW therefore expressly disclaims responsibility for the content of external Internet sites which are linked to its own website. Any damages resulting from using or failing to use external content are exclusively the responsibility of the Internet site in question.

2. Content of own Internet site:

The THW makes every effort to ensure the accuracy of all legal provisions, official notices, recommendations and information appearing on this website. However, in case of any discrepancy, only the current official version as it appears in official publications produced for this purpose is legally valid. Any legal notices, recommendations or information are not legally binding and do not constitute legal advice.

The following disclaimer applies to the information provided:

THW is not liable for any damages resulting from using or failing to use the information provided, including any damages caused by accessing or downloading data, by computer viruses, or by installing or using software.

3. Error reporting:

The editors of www.exchangeofexperts.eu ask users to report to them any unlawful or inaccurate information found on external Internet sites linked to the

Editorial [EXE]

www.exchangeofexperts.eu website. Users are also asked to report to the contact address provided any information found on the THW own website which is inaccurate, outdated, incomplete or unclear.
